# Russian Partners' Roadmap

**As stated in subparagraph 5 Clause 2.2 of the Project Data Form:**

*“...selected activities esp. in WP 3 & 4 will be extended as transnational component to RU. This will be secured by the input of Partners from Russia.”*

# Russian Partners' Roadmap

WP3

- Russian partners fully share and support the objectives of the Project
- But, Russia is not the official partner of the Project ☹️
- That is why we still not have our own plans and budgets approved by Project
- And, that is why we are here – to clarify our role in the Project

# Russian Partners' Roadmap

WP3

- Our peculiarities:
  - We are your neighbor
    - The same citizen's needs
    - The same problems
    - The same ICT
  - We are on the other side of the border
    - Other drivers
    - Interoperability needed (not technical, but organizational)

# Russian Partners' Roadmap

WP3

- We would be happy to help all Project partners to implement their planned activities and to undertake all 4 step-by step phased activities on the territory of Russia

# Russian Partners' Roadmap

WP3

- We have some useful experience in e-Gov areas (methods and findings):
  - e-Gov services demand, conditions and impact analysis
  - Administrative e-processes and e-orders development
  - Organizational change and related risks management
  - Some e-Gov standards and interoperability solutionsand ready to share them with partners in different forms

# Russian Partners' Roadmap

WP3

**We have:**

- Willing to participate in the Project**
- Experienced experts**
- Pilot municipalities (Slantsy, Kingisepp, Ivanovo, Sosnovy Bor, Svetogorsk)**
- Resources for co-financing**

# Russian Partners' Roadmap

WP3

**We need:**

- The status in the Project**
- Collaboration and access to results**
- Some financing**
- Support for “EgoPrise ELRus” project initiation**
